ABOUT

APIWE
BUBU

As a DJ/Producer, Apiwe Bubu creates and connects South African drum rhythms, grooves and ritual sound infused with Hip Hop and Contemporary music. He brings the newest South African hits of Amapiano, touches of Gqom, Kwaito, RnB, Hip Hop and Top chart music to his audience.

Part of his influence stems from Jazz, South African 90's Deep House, Afro Beat, Hip Hop, to Bossa Nova & East African music.

Having traveled and collaborated with different artists/DJ's across the world, he has acquired a distinctive style that contributes to his particular DJ selection and love of music.
